

# COOKIE POLICY

## USE OF THE COOKIE

The website (www.groupatp.com) uses cookies to make our services simple and efficient for users who view pages. Users who view the site, will enter the minimum amount of information in the devices in use, that are computers and mobile devices, in a small text file website named "cookie" stored in the browser used by the user. There are various types of cookies, some to make more effective use of the website, others to enable certain features.

. Analyzing them in detail our cookies allow you to:

- storing the entered preferences;
- avoid re-entering the same information several times during the visit such as user name and password;
- analyze the use of services and content provided by groupatp.com to optimize the browsing navigation experience and the services offered.

## TYPES OF COOKIES

### Technical cookies

This type of cookie allows the correct operation of certain sections of the Website. They are of two categories: persistent cookie and session cookie:

- A persistent cookie for a website exists on a users computer until a future date.
- A session cookie for a website only exists whilst the user is reading or navigating the website. When the user closes their web browser these cookies are removed.

These cookies, always sent from our domain, are necessary to view the site correctly and in relation to the technical services offered, will therefore always be used and sent, unless the user changes the setting in their browse (thus affecting the display of website pages).

### Analytics Cookies

Cookies in this category are used to collect information on the use of the website. Groupatp.com will use this information regarding anonymous statistical analysis in order to make better use of the website and to make the content more interesting and relevant to the wishes of users. This type of cookie collects data anonymously on the activities of users and as it came on the website. The analytical cookies are sent from the same website or from third-party domains..

### Analysis cookies for third-party services

These cookies are used to collect information on the use of the website by users in anonymous, such as: pages visited, time spent, origins of the incoming traffic, geographical origin, age, gender and interests for the purpose of marketing campaigns. These cookies are sent from third-party domains external to the website.

### Cookies for integrating products and third-party software functions

This type of cookies incorporates features developed by third parties within the website pages. As icons and preferences expressed in social networks in order to share the contents on the website or the use of the services, third-party software (such as software generate maps and additional software that offer additional services). These cookies are sent from third-party domains and partner website that offer their functionality through the pages of the website.

### **Profiling cookies**

Are those cookies necessary to create user profiles in order to send advertising messages in line with the preferences expressed by the user within the pages of the site.

Groupatp.com, according to current legislation, is not required to seek consent for technical and analytical cookies, which is necessary to provide the service request.

For all other types of cookies, consent may be expressed by the User with one or more of the following methods:

- Using specific configurations of the browser or its programs used to navigate pages that make up the website.
- By changing the settings in the use of third-party services

Both of these solutions may prevent the user from using or viewing parts of the Website.

### **Websites and third-party services**

The website may contain links to other websites that have their own privacy policy, which can may be different from the one adopted by groupatp.com and therefore not responsible for these sites
